## ***Fiesta Evangelism !***

**W**e started ministering in Mexico almost two years ago and it seems like yesterday. The ministry has grown a bit, quite a bit. We started with a borrowed tent, a few chairs and faith that God would supply the rest.

By the end of the first year, we had held meetings in twenty-two different Ranchos (pueblos), and saw over two thousand souls won to the Lord.

**God has opened a great door for His Gospel to go forth.**

Several healings have taken place and many have been delivered from alcohol, drugs, and demons.

Whole families are coming to the Lord, and marriages are being restored.

Men have begun to take the role of spiritual leader in their homes, taking the family to

church, not merely sending them or allowing them to go.

Transformation is beginning to take place in the central mountains of Mexico.

**We are seeing the beginning of transformation take place**

There are active cell groups in almost every Rancho we have been to.

We have a new church in San Rafael that is full every Sunday. Christmas day we had a six hour service and nobody wanted to leave.

God is confirming His word with signs and wonders.

He has opened an incredible door of opportunity here in the mountains of Mexico for the Gospel to go forth.

We always have people asking us to bring the tents to their Ranchos, and every time we do, people are saved, healed, delivered, and set free

by the power of God.

This is something God is doing, we are just willing vessels that get to be part of what is going on, and it's a great privilege to be here.

What we are facing is much like in the book of Acts. We are fighting against principalities, powers and rulers of darkness that have been in

control since the beginning of time.

The strongholds in these Ranchos are powerful, but the "Word of God" and the "Blood of Jesus" is more powerful.

Many of the areas we minister in don't know anything about salvation.

The spirit of tradition is in control. They do what has been done for centuries.

Witch doctors, and superstition rule their lives.

The only religion is the catholic church, and they teach idolatry not salvation.

We preach the truth of the

Gospel of Jesus Christ, and God confirms it with signs and wonders.

When these precious hungry people hear and see the truth, they receive it with joy.

The chains of bondage fall like rain and the people are set free.

We are seeing many changes take place in the lives of the people here in the mountains of east central Mexico.

Last year my long time friend, partner in business, and brother in the Lord, Ken and his wife Cindy Gaskin sold their Yacht (below) and gave us the money to buy this tent. (above, and on page 1)

Over two thousand men, women and children came to know Jesus as their personal Lord and Saviour under this Gospel tent.

## Fiesta Evangelism

*continued from page 1*

This is a year of divine opportunity, and we want to be right in the center of what God is doing.

Jesus is coming for "His Bride" very soon, and we want to send a full load from Mexico.

Many of the Ranchos in the High Sierras have pastors and congregations that don't know the joy of the Lord, and do not experience the moving of the Spirit of God.

For many years these pastors have struggled with very little success.

God has opened the door for us to go and minister the love of God in these areas.

In August of last year we went to San Pedro, a rancho in the High Sierras. A small church had struggled for fifteen years, in all that time, the pastor had only seen ten souls come to the Lord.

## Our Ministry Needs

Only the Lord will ever know how much this has meant to our ministry, and to the people who were saved, healed, and set free.

It has enabled us to minister to the needs of the people, and at the same time has become our calling card here in the Ranchos.

"The Tents, The Tents" everyone here knows about the tents!

One night we were taking a load of people home in our van, and were stopped by the federalies (police). When they found out who we were, they said they had heard about the tents, and for us to have a safe trip.

We set up our tents and invited all the Ranchos in the area.

Several pastors and their congregations came.

The glory of the Lord came down, and "God did His Thing".

Forty-three souls were added to the church in San Pedro, and more souls were added to the surrounding area churches.

God has opened doors of incredible opportunity for this "End Time Harvest".

In order for us to continue to pass through these doors, it will require that brothers and sisters like you *Partner* with this ministry, and sow a seed of uncommon generosity as soon as possible.

Thank you *Partners* for standing with this ministry over the past year. There is a great reward laid up for you in heaven.

If you are not already a *Partner* with this ministry. Please consider becoming a *Partner* with your regular monthly support, or one time gifts.

It is a privilege to help these pastors and see their churches grow and flourish so rapidly.

I believe that God has even more doors He wants us to go through this year.

Please be in prayer for us as we strive to go through every door "He" opens.
